## PARENT CAFÉ TRAINING REGISTRATION FORM

Parent Cafés provide a safe and nurturing environment for parents to have an intimate, peer to peer conversation about their families and communities to find ways in which to strengthen them. Be Strong Families believes that the most effective way to do this is from the inside-out by using the 5, researched-based, Protective factors. Upon completion of this training, participants will have the tools and knowledge to host a Parent Café in their community. Please contact Arrenia Thomas ([Arrenia.Thomas@mhmrctc.org](mailto:Arrenia.Thomas@mhmrctc.org)) for any questions or concerns.
